PROFESSIONAL EXPERIENCE

May 2023
–
August 2023

UI/UX & Frontend Developer Freelance

ARTWORK – <https://www.artsy.net>

- Designed engaging, gallery-focused UI/UX prototypes in Figma, emphasizing intuitive navigation and visual hierarchy.
- Translated Figma mockups into pixel-perfect React and Next.js components, ensuring consistency across various screen sizes.
- Collaborated closely with graphic designers and backend engineers to iterate on feature requirements and deliver a polished user experience.

FEB 2024
–
APR 2024

UI/UX & Frontend Developer Freelance

AngelDisableHelpLLC – <https://www.angelhelppllc.com>

- Designed user-centric, intuitive UI/UX mockups in Figma and developed fully validated prototypes prior to implementation.
- Translated Figma designs into dynamic WordPress interfaces by customizing themes and building custom Gutenberg blocks.
- Integrated RESTful APIs for real-time data handling, enhancing interactive user experiences.
- Participated in code reviews, debugging, and continuous improvement of code quality.
- Collaborated effectively with remote teams.

SEP 2024
–
Jan 2025

UI/UX & Frontend Developer Freelance

ColorDanHub – <https://colordanhub.site>

- Crafted engaging, gamified UI/UX designs in Figma with a focus on user journey mapping and interaction flow.
- Converted Figma prototypes into reusable React/Next.js components, preserving design fidelity and interactivity.
- Implemented PAYOS payment gateway to deliver a seamless and secure transaction process.
- Engaged in comprehensive testing, debugging, and code reviews to ensure high-quality deliverables.
- Worked closely with team members to brainstorm and implement creative solutions.

PROFESSIONAL FOCUS & CAREER OBJECTIVES

- Grow into a full-stack developer with strong frontend and backend skills.
- Improve UI/UX design abilities to deliver quality user experiences and optimize performance.
- Enhance collaboration skills in dynamic, cross-functional, and global teams.
